I certify that I have voluntarily provided a fresh unadulterated urine specimen/oral fluid specimen for analytical testing. The information provided on this form and on the label affixed to the specimen cup is accurate. I authorize lab to release the results of this testing to the ordering physician. I also authorize lab to bill my insurance provider and to receive payment of benefits for the tests ordered by my physician. I further authorize lab and the ordering physician to release to my insurance provider any medical information necessary to process this claim. I acknowledge that lab may be an out-of-network facility with my insurance provider.

AUTHORIZATION & ATTESTATION

By signing below, I authorize Alcala Testing to perform LC-MS/MS testing for qualitative and quantitative confirmation of positive and negative results. I attest that the requested testing is medically necessary and appropriate based on the patient's diagnosis and treatment plan. I have personally completed the diagnosis codes above to indicate the accurate diagnosis for this patient. I have not already provided this testing on the date of collection.
